

Hello, Wow! Everyone, Give yourselves a loud round of applause,.... CLAPPING

You are my fantastic audience!, because with your enthusiastic clapping, you have set the energy bar sky-high, and I'm loving every second of it! We're not here for just any ordinary regular Toastmasters meeting, with your presence you 've turned this place into the most epic gathering in Kharghar city!

Now, let's groove our way into this extraordinary event, shall we? My Name is Somnath Jagadale, and I will be your Sargent At Arms this mega event, I am sure most of people especially toastmaster's family my what is Sargent At Arms, basically he is person you can hold him for any queries or information, You can ask him question like, what time the dinner will be served?.

As Kharghar Toastmaster clubs representative I would like to welcome you to not out hundred and twenty five. I want to thank each and every one of you magnificent Toastmasters, your awesome families, and fabulous/dear guests for gracing us with your presence. You've taken this special Toastmasters meeting and turned it into a legendary celebration!

I would like to toss one quote from the unknown author, till author disclose himself you can consider me as a Author, The quote says, "Your mission in life not determined by what others expects from you but, it determined by what you expect from yourself. "

Its my duty to read out our clubs mission, I request you pay attention

Our clubs Mission states that

"We provide a supportive and positive learning experience in which members are empowered to develop communication and leadership skills, resulting in greater self-confidence and personal growth."

Core Values – Respect, Leadership, Excellence and Service.

A few hygiene instructions –

1. Members and Guests are requested to keep your phones on Silent Mode. Lets take 10 seconds to do this now.
2. Please refrain from moving around when any activity is happening on the stage.
3. Restroom Is located on the rear left of the hall.
4. In case of any emergency, please use the two exits to assemble near the Gates for further instructions.

Let me now call upon the Master of Ceremony, Please welcome a tall personality, always full of energy, who has been in Toastmasters for around 15 years now. An Instrumentation Engineer from BITS-Pilani. He has worked in Steel, Power and Petrochemical sectors. Since last 6 years, has been "living his dream" as an entrepreneur and owns Theia New Consultancy. Now , he has ventured into manufacturing of measuring instruments for process industries based out of Vapi. A widely travelled man with a passion for music as well, please welcome TM Syam as the Presiding Officer"
